Kid's Pamper Parties

Red carpet, sparkles and so much more ...

WELCOME

Pamper parties

We love nothing more than to throw parties for you - and we know just what to do to make it extra special. We'll roll out the red carpet for the exclusive guest list for starters ...

Our party packages range from 2 to 4 mini treatments plus lots of extra goodies thrown in. If you have some budding beauticians then book a 'Tutorial party package' and our fully trained therapists will teach them how to perfect their own skin routines.

We look forward to welcoming your glamorous gang to our bright and airy loft treatment rooms.

With best wishes
